Section 1. Membership. Each Owner shall be a Member of the Association.

Section 2. Allocation of Voting Rights. The Association shall have two (2) classes of voting membership – Class A and Class B, as more fully set forth in the Declaration. The voting rights of both classes shall be based on the number of Lots owned, and are determined as follows:

Upon the Control Transfer Date: (i) any remaining Class B Members shall become Class A Members; (ii) the Owners shall manage the Association; and (iii) the members of the Board at

the time of conversion shall elect the Board. **UPON THE CONTROL TRANSFER DATE AND ANYTIME THEREAFTER, THE ASSOCIATION SHALL INDEMNIFY AND HOLD THE DECLARANT HARMLESS FROM AND AGAINST ANY AND ALL CLAIMS OR DAMAGES OF EVERY KIND ARISING OUT OF THE DEVELOPMENT OF THE PROPERTY AND THE OPERATION OF THE ASSOCIATION.**

Prior to the Control Transfer Date: (i) the Declarant shall manage the Association; and (ii) the Association shall reimburse the Declarant for any expenses incurred in such management.

Section 4. Member Rights in Association. No Member shall have any direct interest in the funds and assets of the Association, but shall have only a membership interest therein which shall not be assigned, hypothecated or transferred in any manner except as an appurtenance to the Owner's interest in the Owner's Lot. Membership in the Association shall be mandatory.

ARTICLE III. MEETING OF MEMBERS

Section 1. Annual Meetings. The first annual meeting and each subsequent regular annual meeting of the Members shall be held on a date and time determined by the Board. At each annual meeting after conversion of Class B Membership, directors shall be elected.

Section 2. Special Meetings. Special meetings of the Members may be called at any time by the President of the Association (the "**President**") or by the Board, or upon written request of the Members who are entitled to vote one-fourth (1/4th) of all of the votes of the Members.

Section 3. Place of Meetings. While Class B Membership exists: (a) meetings of the Board shall be held at the principal office of the Association or at such other suitable place within Texas that is convenient to the Board; and (b) meetings of the Members shall be held at a suitable place within the County or an adjacent county that is convenient to the Members as may be designated by the Board from time to time. After Class B Membership ceases, meetings of Members and the Board shall be held at the principal office of the Association or at such other suitable place within the County or an adjacent county that is convenient to the Members as may be designated by the Board from time to time.

Section 4. Notice of Meetings. Written or printed notice of annual and special meetings must state the place, day, and hour of any meeting of the Association and must be delivered, either personally or by mail, fax or other electronic media, to each Member entitled to vote at such meeting, not less than ten (10) nor more than sixty (60) days before the date of such meeting. Such notice of the annual meeting of the Members must be given by or at the direction of the Secretary of the Association (the "**Secretary**"). Such notice of a special meeting must be given by whoever called the meeting and must contain a description of the topics or issues to be discussed.

Notice to a Member by e-mail or facsimile must be sent to the e-mail address or facsimile number provided to the Association in writing by that Member. If e-mailed, the notice of

meeting shall be deemed to be delivered as of the date and time the e-mail was sent. If faxed, the notice of meeting shall be deemed to be delivered as of the date and time shown on a written confirmation that the facsimile was successfully transmitted.

Notice to a Member by mail shall be sent to the address of the Member's Lot in the Property, unless the Member has provided another mailing address to the Association in writing. If mailed, the notice of meeting shall be deemed delivered as of the date it is deposited in the United States mail. One (1) notice, addressed to multiple Members at the same address, shall suffice if more than one (1) Member resides at or occupies any address.

For any given meeting, the Association may use any combination of the alternative methods for providing notice to the Members.

For the purpose of determining the Members who shall receive notice of a meeting, the Members of the Association shall be determined on the date the notice of meeting is first given.

In the case of a special meeting or when required by statute or these Bylaws, the purpose(s) for which the meeting is called shall be stated in the notice. No business shall be transacted at a special meeting except as stated in the notice.

Section 5. Waiver of Notice. Waiver of notice of a meeting of the Association shall be deemed the equivalent of proper notice. Either before or after such meeting, any Member may, in writing, waive notice of any meeting of the Association. Attendance at a meeting by a Member, either in person or by proxy, shall be deemed waiver by such Member of notice of the time, date, and place of the meeting, unless such Member specifically objects to lack of proper notice in writing before the time the meeting is called to order. Additionally, casting a vote by a Member on any issue to be voted upon at the meeting by any technological means authorized in these Bylaws shall be deemed a waiver by such Member of notice of the meeting. Attendance at a special meeting shall also be deemed a waiver of notice of all business transacted thereat unless objection to the calling or convening of the meeting, of which proper notice was not given, is raised in writing before the business is put to a vote.

Section 6. Adjournment of Meetings. If any meeting of the Association cannot be held because a quorum is not present, either in person or by proxy, the presiding officer or a majority of the Members who are present at such meeting, in person or by proxy, may adjourn the meeting to a later time. At the reconvened meeting, if a quorum is present, either in person or by proxy, any business that might have been transacted at the meeting originally called may be transacted. All votes cast by Members prior to the originally called meeting by proxy or by any technological means authorized in these Bylaws on issues to be considered at the meeting shall be valid and may be counted at the reconvened meeting at which a quorum is present; provided that, a Member who cast a vote on an issue by proxy or by any technological means authorized in these Bylaws may change that Member's vote at any time prior to the time that a call for a vote on the issue is made at the reconvened meeting at which a quorum is present. A Member may change the Member's vote by attending the reconvened meeting in person, submitting a proxy at the reconvened meeting that either directs or authorizes the proxy holder to vote in a different manner, or changing the Member's vote by any technological means for voting authorized in

these Bylaws. If a time and place for reconvening the meeting is not fixed by those in attendance at the original meeting or if for any reason a new date is fixed for reconvening the meeting after adjournment, notice of the time and place for reconvening the meeting shall be given to Members in the manner prescribed for regular meetings.

Section 7. Proxies. At all meetings of Members, each Member may vote in person or by proxy. Any reference in these Bylaws to “**Members Present**” means “Members present in person or by proxy.”

All proxies shall be in writing and filed with the Secretary: (i) before the appointed time of each meeting; or (ii) by any earlier date or time specified in the notice of meeting. Proxies submitted by facsimile or any other method provided for by these Bylaws shall be valid.

Proxies not delivered prior to the start of any meeting or by any earlier date or time specified in the notice of meeting shall not be valid. Every proxy shall be revocable and shall automatically cease upon: (i) conveyance by the Member of the Member's interest in the property; (ii) receipt of notice by the Secretary of the death or judicially declared incompetence of a Member; (iii) receipt of written revocation; or (iv) expiration of eleven months from the date of the proxy. If a Member executes more than one (1) proxy, only the proxy with the most current date shall be valid.

Section 8. Voting. At all meetings of Members at which a quorum is present, all questions (except those the manner of which is otherwise expressly governed by statute, the Association's Certificate of Formation, the Declaration or the Bylaws) shall be decided by the majority of votes cast by the Members Present (each Member being entitled to cast all votes allotted to it by these Bylaws) and entitled and eligible to vote. All voting of Members present in person shall be via voice, except voting shall be by ballot upon the determination of the presiding officer of any meeting or upon the demand of a majority of Members Present. Each ballot shall be signed by the Member voting or by the Member's proxy. At the option of the Board, any vote may be taken by mail ballot, or by any combination of mail, proxy or in person. Mail ballots may be counted toward a quorum of Members Present (as if in attendance at a meeting).

Section 9. Alternative Means of Voting. To the extent permitted by law, a Member may vote on any question to be voted upon by the Members via absentee ballot, which is delivered to the Association by mail, facsimile or electronic communication over the internet or the Association network. To be valid, any vote cast by a Member by mail, fax or electronic communication must be received by the Association by: (i) midnight of the day before the date of the scheduled meeting; or (ii) any earlier date or time specified in the notice of meeting.

The mechanism for voting by electronic communication must provide a sufficient method of identifying the Member and verifying the Member's vote. Any requirement for a signature on any such absentee ballot, which is imposed by the Certificate of Formation, the Declaration, the Bylaws, any regulation or resolution imposed by the Board, or any applicable law, shall be satisfied by a digital signature.

Section 10. Majority. As used in these Bylaws, the term “majority” shall mean those votes, owners or other group as the context may indicate totaling more than fifty percent (50%) of the total eligible number.

Section 11. Quorum. Except as otherwise provided in these Bylaws or in the Declaration, the presence in person or by proxy of Owners representing ten percent (10%) of the total eligible votes in the Association shall constitute a quorum at all meetings of the Association.

The Members Present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment. However, in the event a sufficient number of Members leave less than a quorum at such meeting, business may continue to be conducted provided that: (i) at least five percent (5%) of the total eligible votes of the Association remains present in person and/or by proxy; and (ii) any action taken shall be approved by at least a majority of the total eligible votes of the Association remaining present in person and/or by proxy.

Section 12. Conduct of Meetings. The President shall preside over all meetings of the Association. The Secretary shall keep or cause to be kept the minutes of all meetings and record in a minute book all resolutions adopted at all meetings and all transactions occurring at all meetings.

Section 13. Action Without a Meeting. Any action required by law to be taken at a meeting of the Association or any action that may be taken at a meeting of the Association, may be taken without a meeting if written consent setting forth the action so taken is signed by Members holding the number of votes necessary to pass a proposition concerning the subject matter thereof, and any such consent shall have the same force and effect as a unanimous vote of the Members.

Section 14. Actions. When a quorum is present at a meeting, the majority of votes cast by the Members Present (each Member being entitled to cast all votes allotted to it by these Bylaws) shall decide any question brought before the meeting, except as otherwise provided in the Certificate of Formation, the Declaration or these Bylaws.

ARTICLE IV. BOARD OF DIRECTORS

A. Composition and Selection of the Board

Section 1. Governing Body; Composition. The affairs of the Association shall be governed by a Board of Directors consisting of at least three (3) but no more than nine (9) directors. Each director shall be entitled to one (1) vote. While Class B Membership exists, directors need not be Owners. After Class B Membership ceases, each director shall be an Owner and a Member. A Member who is a registered sex offender or who has been convicted of a crime of moral turpitude may not be a director. Directors may serve consecutive terms if so elected or appointed. If an entity is an Owner, the entity may submit a written resolution of the entity to the

Secretary, designating one (1) representative, who shall be eligible to serve as a director. Only one (1) representative of any such entity, except for the Declarant (or its successor as declarant), may serve on the Board at any given time.

Section 2. Election of Directors.

During the existence of Class B Membership, the Declarant shall appoint the directors. At the first annual meeting after the Control Transfer Date has passed, the members of the Association will elect new directors. After the existence of Control Transfer Date, election to the Board shall be by secret written ballot. Voting for directors shall take place at the annual meeting of the Members and/or by votes delivered to the Secretary by mail, electronic communication, or facsimile before the appointed time of the annual meeting or by any earlier date or time specified in the notice of meeting. The Board may determine the method of voting and include said method in the notice of meeting for the annual meeting. At such election, the Members may cast, in respect to each vacancy, as many votes as they are entitled to exercise under the provisions of the Declaration. The persons receiving the largest number of votes shall be elected. Cumulative voting is not permitted.

Section 3. Term of Office. At the first annual meeting of the Members which takes place after Class B Membership has ceased, the Members shall elect one (1) director for a term of one (1) year, one (1) director for a term of two (2) years, and one (1) director for a term of three (3) years. At each annual meeting thereafter, the members shall elect one (1) director for a term of three (3) years.

Section 4. Nomination. After Class B Membership has ceased, the Board may establish a nominating committee consisting of a chairperson, who shall be a member of the Board, and three (3) or more Members or representatives of Members. If established, the nominating committee shall be appointed by the Board not less than thirty (30) days prior to each annual meeting of the Members to serve a term of one (1) year or until their successors are appointed, and such appointment shall be announced at each such annual meeting. The Nominating Committee shall make as many nominations for election to the Board as it shall in its discretion determine but in no event less than the number of positions to be filled. The Board may also choose to take nominations from the floor, and/or to take nominations by any other means determined appropriate by the Board.

Section 5. Vacancy and Removal. After Class B Membership has ceased, any vacancy created during the term of a Board member may be filled by the remaining directors.

If a director ceases to be an Owner during his or her term as director, he or she is automatically disqualified from serving as a director or officer, and the majority of the Board may: (i) elect a successor to fulfill the remainder of said director's term; or (ii) wait to elect a successor at the next annual meeting of the Members. In the event of the death, disability, other disqualification or resignation of a director, a vacancy may be declared by the Board and the remaining directors may appoint a successor.

Any director who has three (3) consecutive unexcused absences from Board meetings may be removed by a majority of the directors present at any Board meeting at which a quorum is present, and a successor may be appointed by the Board to fill the director's vacancy for the remainder of the term.

Any director may be removed, with or without cause, by the vote of a majority of quorum of the Members. Any director whose removal is sought shall be given notice prior to any meeting called for that purpose. Upon removal of a director by Members, a successor shall then and there be elected by the Members entitled to elect the director so removed to fill the vacancy for the remainder of the term of such director.

Section 6. Compensation. No director shall receive compensation for any service he or she may render to the Association. However, any director may be reimbursed for his or her actual expenses incurred in the performance of his or her duties.

B. Meetings of the Board

Section 1. Organization Meetings. Each year the Board shall hold a meeting at such time and place as shall be fixed by the Board, so long as the meeting is held within sixty (60) days after each annual meeting of the Members.

Section 2. Regular Meetings. Regular meetings of the Board may be held at such time and place as shall be determined from time to time by a majority of the directors, but at least one (1) such meeting shall be held during each fiscal year. Notice of the time and place of the meeting shall be communicated to the directors not less than four (4) days prior to the meeting; provided however, notice of a meeting need not be given to any director who has signed a waiver of notice or a written consent to holding of the meeting.

Section 3. Special Meetings. Special meetings of the Board shall be held when called by written notice at the request of the President or by written resolution of a majority of the Board. The notice shall specify the time and place of the meeting and shall be given to each director by one (1) of the following methods: (i) personal delivery; (ii) first class mail, postage pre-paid; or (iii) telephone communication, facsimile or electronic communication, either directly to the director or to a person at the director's office or home who could reasonably be expected to communicate such notice promptly to the director. All such notices shall be given at the director's telephone number or sent to the director's mailing address or e-mail address as shown on the Association's records. Notice sent by first class mail shall be deposited into a United States mailbox at least four (4) days before the time set for the meeting. Notices given by personal delivery, telephone, facsimile or electronic communication shall be delivered at least seventy-two (72) hours before the time set for the meeting.

Section 4. Waiver of Notice. The transaction of any meeting of the Board, however called and noticed or wherever held, shall be valid as though taken at a meeting duly held after regular call and notice if: (i) a quorum is present; and (ii) either before or after the meeting, each of the directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the

meeting. Notice of a meeting shall also be deemed given to any director who attends the meeting without protesting in writing before or at its commencement about the lack of adequate notice.

Section 5. Quorum. At all meetings of the Board, a majority of the directors present shall constitute a quorum for the transaction of business. The votes of a majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board.

If any meeting cannot be held because a quorum is not present, a majority of the directors who are present at such meeting may adjourn the meeting to a later time. At the reconvened meeting, if a quorum is present, any business that might have been transacted at the meeting originally called may be transacted without further notice.

Section 6. Conduct of Meetings. The President shall preside over all meetings of the Board. The Secretary shall keep or cause to be kept a minute book of meetings of the Board, recording therein all resolutions adopted by the Board and all transactions and proceedings occurring at such meetings.

Section 7. Open Meetings. Subject to the provisions of Sections B(8) & (9) of this Article, all meetings of the Board may be open to all Members, but Members other than directors may not participate in any discussion or deliberation unless permission to speak is requested on the Member's behalf by a director. In such case, the President may limit the time any Member may speak. Notwithstanding the above, the President may adjourn any meeting of the Board and reconvene in executive session, excluding Members, to discuss or vote on matters of a sensitive nature, including but not limited to pending or threatened litigation and personnel matters.

Section 8. Action Without a Formal Meeting. Any action to be taken at a meeting of the directors or any action that may be taken at a meeting of the directors may be taken without a meeting if consent in writing, setting forth the action so taken, is signed by all of the directors. Such consent shall have the same force and effect as a unanimous vote.

Section 9. Executive Session. The Board may close a portion of its meeting for the purpose of discussing items that require confidentiality, matters involving the personal accounts of Owners, matters currently in litigation and other matters that the Board, in its sole discretion, considers to be of a sensitive nature.

ARTICLE VII. ASSESSMENTS

As more fully provided in the Declaration, each Member is obligated to pay the Association Assessments, which are more particularly set out in the Declaration and secured by a continuing lien upon the Lot against which the Assessment is made. No Owner may waive or otherwise escape liability for the Assessments by non-use of the Common Area or abandonment of his, her, or its Lot.

ARTICLE VIII. AMENDMENT

While Class B Membership exists, these Bylaws may be amended by a majority of the Board. After Class B Membership ceases, these Bylaws may be amended by the affirmative vote or written consent, or any combination thereof, of a majority of the Members Present. Notwithstanding the above, the percentage of votes or other approval necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

ARTICLE IX. MISCELLANEOUS

Section 1. Fiscal Year. The fiscal year of the Association shall be January 1st to December 31st of each year.

Section 2. Parliamentary Rules. Except as may be modified by Board resolution, *Robert's Rules of Order* (current edition) govern the conduct of the Association's proceedings except when they are inconsistent with Texas law, these Bylaws, or the Certificate of Formation.

Section 3. Conflicts. If there are conflicts between any provision of Texas law, the Declaration, the Certificate of Formation, and these Bylaws, then the provision(s) of Texas law, the Declaration, the Certificate of Formation, and these Bylaws (in that order) shall prevail.

Section 4. Owner Conflicts. An Owner may not participate in any Association meeting or activity if the Owner is involved in litigation with the Association as to a conflict of interpretation of the Declaration, the Certificate of Formation, rules and regulations promulgated by the Association, or these Bylaws and/or as to the amount of delinquent assessments.

Section 5. Business Judgment Rule. Any act or thing done by any director, officer or committee member taken in furtherance of the purposes of the Association, and accomplished in conformity with the procedures set forth in the Certificate of Formation, the Declaration, the

laws of the State of Texas and/or these Bylaws, shall be reviewed under the standard of the Business Judgment Rule as established by the common law of Texas, and such act or thing done shall not be a breach of duty on the part of the director, officer, or committee Member if they have been done within the exercise of their discretion and judgment.

The Business Judgment Rule means that a court shall not substitute its judgment for that of the director, officer or committee member. A court shall not re-examine the quality of the decisions made by the director, officer or committee member by determining the reasonableness of the decision as long as the decision is made in good faith in what the director, officer or committee member believes to be the best interest of the Association.

Section 6. Books and Records.

a. Inspection by Members and Mortgagees. Upon written demand stating the purpose of the demand, the Declaration, Bylaws, and Certificate of Formation (and any amendments and supplements to the foregoing), the rules and regulations of the Association, the membership register, books of account, and the minutes of meetings of the Members, the Board and Committees (collectively, the “**Association Records**”) shall be made available for inspection and copying by any holder, insurer or guarantor of a first mortgage on a Lot, Member, or the duly appointed representative of any of the foregoing at any reasonable time and for a proper purpose during normal business hours at the office of the Association or at such other place within the Property as the Board shall prescribe, by appointment. Nonetheless, information regarding delinquent Assessments shall not be made available for inspection and/or copying due to privacy concerns.

b. Rules for Inspection. The Board may establish reasonable rules with respect to:

- (i) notice to be given to the custodian of Association Records;
- (ii) privacy concerns that arise;
- (iii) hours and days of the week when such an inspection may be made by appointment for a proper purpose; and
- (iv) payment for the cost of copies of the Association Records.

c. Inspection by Directors. Each director shall have the absolute right at any reasonable time to inspect all of the Association Records and the physical property owned or controlled by the Association. The right of inspection by a director includes the right to make a copy of relevant Association Records at the expense of the Association.

Section 7. Notices. Unless otherwise provided in these Bylaws, all notices, demands, bills, statements, or other communications under these Bylaws shall be in writing and shall be deemed to have been duly given if sent by United States mail, first class, postage pre-paid:

- a. if to a Member at the address that the Member has designated in writing and filed with the Secretary or, if no such address has been designated, at the address of the Lot of such Member; or
- b. if to the Association, the Board, or the managing agent, at the principal office of the Association or the managing agent (if any) or at such other address as shall be designated by notice in writing to the Members pursuant to this Section.

If Member does not reside on his or her Lot, then he or she shall notify the Association in writing of his or her address at which to send notices within seven (7) days of purchase of the Lot or within seven (7) days of moving from the Lot. A Member's failure to do so will result in all notices being sent to the address of the Lot, and the Member will be deemed to have received all notices that were mailed to the address of the Lot.

Section 8. Indemnity. To the fullest extent permitted by applicable law, Association shall and does hereby agree to indemnify, protect, hold harmless and defend its officers, directors, and committee members, hereinafter referred to as "**Indemnitees**" from and against all claims, demands, damages, injuries, losses, liens, causes of action, suits, judgments, penalties, liabilities, debts, costs and expenses, including court costs and attorneys' fees (collectively, "**Liabilities**"), of any nature, kind or description, whether arising out of contract, tort, strict liability, misrepresentation, violation of applicable law and/or any cause whatsoever (including without limitation, claims for injuries to or death of any person, or damages to or loss of any property) of any person or entity directly or indirectly arising out of, caused by, in connection with, or resulting from any act or omission of any of the Indemnitees; provided, however, that the Association shall not indemnify the Indemnitees for any Liabilities arising as a result of the gross negligence or willful misconduct of Indemnitees. **THE OBLIGATIONS OF THE ASSOCIATION UNDER THIS SECTION SHALL APPLY TO LIABILITIES EVEN IF SUCH LIABILITIES ARE CAUSED IN WHOLE OR IN PART BY THE SOLE, JOINT OR CONCURRENT NEGLIGENCE, FAULT OR STRICT LIABILITY OF ANY INDEMNITEE AND WHETHER OR NOT SUCH SOLE OR CONCURRENT NEGLIGENCE, FAULT OR STRICT LIABILITY WAS ACTIVE OR PASSIVE.**

The Indemnitees shall promptly advise the Association in writing of any action, administrative or legal proceeding or investigation as to which indemnification may apply, and Association, at Association's expense, shall assume on behalf of Indemnitees and conduct with due diligence and in good faith the defense thereof with competent trial counsel provided, however, that Indemnitees shall have the right, at their own option, to be represented therein by advisory counsel of their own selection and at their own expense.

In the event of the failure by Association to fully perform its obligations in accordance with this Section, Indemnitees, at their option, and without relieving Association of its obligations hereunder, may so perform, but all costs and expenses so incurred by Indemnitees in that event shall be reimbursed by the Association to Indemnitees, together with interest, on the same from the date any such expense was paid by Indemnitees until reimbursed by the Association, at the highest lawful rate of interest allowed under applicable usury laws of the State of Texas (or if no maximum rate is applicable, at the rate of 18% per annum). The

indemnification shall not be limited to damages, compensation or benefits payable under insurance policies. It is agreed with respect to any legal limitations now or hereafter in effect and affecting the validity or enforceability of the indemnification obligations under this Section, such legal limitations are made a part of indemnification obligations and shall operate to amend the indemnification obligations to the minimum extent necessary to bring the provisions into conformity with the requirements of such limitations, and as so modified, the indemnification obligations shall continue in full force and effect.

Section 9. Dissolution/Winding Up Termination. The Association may be wound-up/dissolved pursuant to the Texas Business Organizations Code, or any successor statute. If the Association is wound-up or dissolved, the assets shall be dedicated to a public body or conveyed to a non-profit corporation with purposes similar to those of the Association.
